

NOW HIRING!

Senior Site Coordinator, High School Level

Organization Summary:

Communities In Schools works to ignite hope in kids so that they can succeed in school, graduate and be prepared for life. CIS addresses the barriers that get in the way of success. CIS Site Coordinators literally bring the community and all the ways it can help, into the schools. This is how we surround kids with whatever it takes—from tutors and food assistance to health services and college visits—so they can start strong and keep moving forward.

Position Summary:

The Senior Site Coordinator (SSC) is responsible for implementing the Communities In Schools (CIS) Integrated Student Services (ISS) model within the designated secondary school building. The position assesses students' needs, develops both building-level and individual student plans to address those needs to remove obstacles to student success. The SSC develops, oversees and manages resources and strategies to improve student success in school and in life as measured by proficiency in academics, behavior and school day attendance. The position coordinates and supports a site team (including interns, designated community resource providers and volunteers) to achieve CIS goals and implement a building site operations plan. S/he connects the right resources to the right students at the right time to meet school-wide and student specific needs and monitors and adjusts plans based on progress assessments.

The Senior Site Coordinator is a primary representative of CIS within his/her building and is responsible for assuring effective relationships with all building stakeholders—principal, teachers, support staff, parents, etc. S/he collaborates with other CIS staff within the building, including the After-School Coordinator when applicable and school staff to ensure that effective Tier I (school-wide) and Tier II & III (individual student) services are in place to effectively address student needs. The SC provides case management services to designated students and fulfills all requirements associated with that role.

The SSC is the internal bridge builder within the school, making connections between students and resources, parents and resources, teachers and providers, etc. The SSC engages parents to assure that students are able to receive maximum support for success. The SSC provides competent leadership for integrating the site's academic and extended day strategies that result in optimal impact on school-wide and individual student outcomes. The SSC provides leadership to internal and external stakeholders on behalf of CIS to implement the Integrated Student Services model.

This full-time position works 40 hours per week, 43 weeks per year, and offers a competitive salary and benefits.
